

6th Torbay (Britannia) Sea Scout Group

South Quay, The Harbour, Paignton, Devon TQ4 6DT

Parents Leaving Permission Form

Dear Parent/Guardian,

The Section Leaders are concerned that Scouts and Explorer Scouts are sometimes seen on the harbour side, in the car park, or further away from the Scout Headquarters, waiting for lifts home a considerable time after the meetings have finished. Given the Safeguarding requirements that the Group needs to comply with, we need to put measures in place to address any risk.

Both Scout and Explorer sections now finish at 9 pm and members (Scouts/Explorers) are at liberty to leave as soon after that time as possible, once clearing up and ceremonials have been completed.

We will instruct all members that if they are being picked up from adjacent to the headquarters that they must return to the top floor of the Scout Headquarters and report to the leader in charge if their lifts are not waiting for them. If you are delayed, it will then be necessary for you to let the leader in charge know and collect your child from inside the Scout Headquarters when you arrive. This is option B below.

If you are prepared to accept full responsibility for your child's safety when leaving the Scout Headquarters and the harbour area on their own, then please tick option C below.

Please appreciate that this procedure is to help ensure the safety your child, and that we can only do this if they are remain in, or return to the Scout Headquarters while leaders are still present.
